SPECIALISTS

Trusted by doctors. Preferred by patients.

Welcome to our practice. We are pleased that you have chosen us for your orthopedic care. It is our commitment to provide our community with the highest quality orthopedic care available, in a pleasant and professional manner.

In order to serve you efficiently, we ask that you arrive on time for your initial appointment and bring the following information:

- Insurance card(s)
- Enclosed forms, completed prior to appointment
- X-ray or MRI films related to your condition, if any have been taken. You may have to call the facility where your films were taken and arrange to check them out for your appointment here.

For your benefit, it is recommended that you find alternative childcare if you have children. This will allow the physician to focus on your problems without interruption.

We make every effort to maintain both our schedule and those of our patients. Please assist us in this effort by calling 24 hours in advance if you are unable to keep your appointment.

Our office is conveniently located at **2950 South Elm Place, Suite 460**, in the Physicians' Building north of Saint Francis Hospital at Broken Arrow. If you have any questions prior to your appointment, please give us a call.

Thanks again for choosing our practice.

Sincerely,
